

CPOE for Radiology Orders

More than 30% of radiology orders created by EP during the EHR reporting period are recorded using CPOE. The CPOE must be directly entered by any licensed healthcare professional that can enter orders into the medical record per state, local and professional guidelines.

How to meet this measure in ONCOCHART - Providers scheduled to be in Stage 1 in 2015 may claim an exclusion for measure 3 (radiology orders) of the Stage 2 CPOE objective for an EHR reporting period in 2015.
