

Provide Patient Access

At least 1 patient seen by the MIPS eligible clinician during the performance period is provided timely access to view online, download, and transmit to a third party their health information.

You must be subscribed to the patient portal to meet this measure. *Contact ONCOCHART support for more information regarding the patient portal.*

How to meet this measure using ONCOCHART –

You can register a patient for the patient portal by clicking on *Demographics > Patient Portal > Entering in the patient's email address > Click Enroll*. You'll receive a message indicating whether or not the enrollment was successful.

The screenshot displays the ONCOCHART interface for patient portal enrollment. On the left is a sidebar menu with categories: Demographics, Clinical, ePrescribe, Orders & Labs, EMR, Miscellaneous, and Reports. Under Demographics, 'Patient Portal' is highlighted. The main area shows a form with the following elements:

- Checkboxes: Authorization Completed, Patient Declined
- Section: Portal Information
- Field: Email Address: PatientEmail@EmailAddress.com
- Section: Narrative Reports: 0
 - CCD: 0
 - CCR: 0
 - CDA: 0
- Section: EMR Files: 0
- Buttons: Enroll, Update Email, Email Instructions, Print, Synchronize Records, Exit

Red arrows and text annotations indicate the steps: 1. Click Patient Portal (pointing to the sidebar), 2. Enter patient's email address (pointing to the email field), and 3. Click Enroll (pointing to the Enroll button).
